*Argosy students will work with a dedicated faculty or program director and AFA to determine specific courses that lead to graduation and will need to have their classes mapped out for successful completion. Must be continuously enrolled to qualify for tuition lock. Marriage & Family Sciences courses are primarily online, however, practicum/internships/clinical supervision activities include traditional engagement in the communities in which our students live. The states of Kansas and New Hampshire will not accept online degrees. Thus if you intend to move and/or become licensed in one of these two states in the near future we do not recommend this program. It is the student's responsibility to verify that the state requirements are fulfilled and that state licensure if applicable is met. **All eligible Argosy students must have been actively enrolled at Argosy March 1, 2018 or later. ***To be eligible, the Argosy course must align with a similar NCU course in the respective degree program. Northcentral University is regionally accredited by WASC Senior College and University Commission (WSCUC), 985 Atlantic Avenue, Suite 100, Alameda, CA 94501, 510.748.9001, wscuc.org. *All eligible Argosy students must have been actively enrolled at Argosy March 1, 2018 or later.
